Pony Mailing & Business Center (PMBC) is an independent agent to receive and send parcels. PMBC assumes no liability for loss of or damage to parcels. PMBC will handle claims on your behalf, but assumes no liability if claim is denied by carrier. PMBC will not be liable for parcels you poorly packed, secured, marked or addressed. Determination of proper packing will be made by the carrier whose decision is final. Address errors may result in further billing to you. Unless declared on this form, limit of liability is the lower of the actual value or \$100. Only actual loss or damage is paid and must be supported by a repair estimate, an invoice or sales receipt. PMBC must be notified of non-delivery of ground parcels within two weeks of ship date; of air parcels within one week of ship date. Delays caused by weather or acts of God are not covered by guarantees. Claims for loss or damage must be submitted within 30 days of the ship date.

I have read and agree to the terms above. Signature: \_\_\_\_\_
